Dear Parent/Guardian,

We seek your permission to publish, if needed, images of your child and the work they may produce during the catechetics classes. These images are solely for the promotion of our program within the parish.

We may also use your child's photo to put on display in the church, asking the parish to pray for them. We may also display any posters or work they have made as part of the program.

Signing of this form states that you agree to:

- Your child's picture to be published
- Your child's first name to be published
- Your child's work to be published

All pictures and work samples will either be stored, disposed of securely or given to the respective child to be taken home.

I give permission for my child's pictures and work samples to be published in the church for promotional purposes only.
