

Funerals at St Clement's faithfully follow the ritual of the Catholic Church's liturgy and so seek to offer the greatest possible spiritual support to the grieving families and friends of the person who has died.

Funeral Masses normally take place on weekdays, in the morning just after the morning Mass. The Church is not available for funerals after 1pm during School terms.

An appointment needs to be made for the family to meet the Priest to discuss the procedure for the funeral. A booklet should be prepared to assist all present to participate fully and actively. The booklet needs to be approved by the Priest prior to printing.

The initial booking needs to be done through the Parish Office by the Funeral Directors. Once the booking has been confirmed, we kindly ask the Funeral Directors to complete the booking form available on this website. The offering for the Priest and the Church to be discussed at the time of the booking.
