Copies of **MELBOURNE CATHOLIC DIGEST** are available to take from the table in the narthex or foyer of our church. Produced by the Archdiocese of Melbourne, these newspapers contain local and international Catholic news. Among other items, this issue contains a report on the Corpus Christi procession which was held in inner-city Melbourne on 7th June, and an article about Pope Leo's first encyclical *Magnifica humanitas*. As the article explains, this encyclical reflects on what it means to protect and preserve human dignity in an age of artificial intelligence. To keep up to date with developments in our Church, please take a copy of Melbourne Catholic Digest.
