Fathers in Our Lives
We give our thanks, Creator God,
for the fathers in our lives.

Fatherhood does not come with a manual, and reality teaches us that some fathers excel while others fail. We ask for Your blessings for them all and forgiveness where it is needed. This Father's Day we remember the many sacrifices fathers make for their children and families, and the ways--both big and small--they lift children to achieve dreams thought beyond reach.

So too, we remember all those who have helped fill the void when fathers pass early or are absent; grandfathers and uncles, brothers and cousins, teachers, priests and coaches and the women of our families.

For those who are fathers, we ask for wisdom and humility in the face of the task of parenting. Give them the strength to do well by their children and by You.

In Your Holy name, O God, we pray.

Amen.

Happy Father's Day!

Blessing of Fathers

God our Father,
in your wisdom and love you made all things.

Bless these men, that they may be
strengthened as Christian fathers.

Let the example of their faith and love shine forth.

Grant that we, their sons and daughters,
may honour them always
with a spirit of profound respect.

Through Christ our Lord.
Amen.

Prayer Intention

- September -

The care and proper use of water

Pope Leo XIV

Pope Leo prays that water may be a "source of fruitfulness, freshness, and hope," and recognizes that water is "a right without borders." Water, he says, "quenches thirst, nourishes the earth, and heals wounds," as well as serving for Christians as a symbol of God's grace and love for us and our renewal in Baptism.

"Forgive us for turning it into a commodity, forgetting that it is a universal gift, a right without borders, meant for all your children," he prays. "We see with pain so many brothers and sisters who lack clean water, who walk for miles to find it, who become ill due to its scarcity."

Pope Leo goes on to pray that the Holy Spirit may make Christians "pilgrims of the essential," who are able to live simply and avoid all waste or pollution. He encourages us to defend everyone's right to water, so that all may drink "without fear and without inequality."

"May our care for water be a sign of love for the Creator and a commitment to the lives of the poor, educating new generations to value and protect the Earth's resources
