Catholic Mission—Propagation of the Faith

The Catholic Mission is supporting the construction of a primary school in Malawi after cyclone Ana so that children in this community can learn, grow and look to the future with hope. Our generosity helps people to see with the eyes of the Church: to notice a child they will never meet, and to respond as neighbours in Christ. In that sense, mission is never far away. It becomes present in prayer, in witness and in the quiet generosity of ordinary Catholics.

Donations can be made via the envelopes in the church OR scanning the QR code OR online: cm.org.au/united

Pope Leo XIV's Encyclical Magnifica humanitas ('Magnificent Humanity')

Addressed to all humanity, the document reflects
on what it means to protect and preserve human
dignity in the age of artificial intelligence.

'The magnificent humanity created by God
stands today before a decisive choice: to erect a
new Tower of Babel or to build the holy city,
where God and humanity dwell together,' the
encyclical begins. It sets out the contrast between
a world founded on power and self-sufficiency
and a path of shared responsibility and
communion. 'Every human person is planned and
willed by God to enter into communion with him,
with others and with creation,'

Every generation, it argues, is entrusted with the
task of shaping its own time, yet every age faces
the risk of building an inhuman and more unjust
world. 'When human dignity is threatened by
new forms of dehumanisation, ours is the
pressing duty to remain profoundly human. We
must lovingly safeguard the grandeur of
humanity bestowed upon us, the splendour of
which no machine can ever replace,'

Putting people first ought to be our response to
the project of artificial intelligence

In response to the encyclical's publication,
Archbishop of Melbourne Peter Comensoli, who
chairs the Australian Bishops Commission for
Life, Family and Public Engagement, says
artificial intelligence is driving a new industrial
revolution and it is important to address how this
will challenge human dignity, work, family and
the environment.

The Most Holy Trinity, Year A

Dear brothers and sisters in Jesus,

We believe in ‘One God = Three Divine Persons’. How is it possible? We do not understand. It’s a holy mystery. To explain the impossibility of grasping the mystery of the Holy Trinity, a story from St Augustine of Hippo’s life is often told. It is as follows:

“One day while Augustine was working on his book on the Holy Trinity, he took a walk by the seashore, and as he walked he kept meditating on the difficult problem of how the One God could be three Persons. Then, he came upon a little child by the seashore. The child had dug a little hole in the sand, and with a small seashell was scooping water from the sea into the small hole. Augustine watched him for a while and finally asked the child what he was doing. The child answered that he was trying to scoop all the water from the sea and pour it into the little hole in the sand. ‘What?’ Augustine said. ‘That is impossible, the sea is too large and the hole too small.’ ‘Indeed,’ said the child, ‘but I will sooner draw all the water from the sea and empty it into this hole than you will succeed in being able to understand the mystery of the Holy Trinity in your little mind.’ With this the child disappeared. Then Augustine understood that the child was Jesus himself indicating to him the impossibility of understanding the mystery of the Holy Trinity”.

We have a few more beliefs related to this mystery; e.g. we attribute the act of creation to God the Father, the act of redemption to God the Son and the act of sanctification to God the Holy Spirit. Yet, none of the Three exists in isolation, nor acts in isolation from the other two. That is to say, ‘The Father exists and creates together with the Son and the Holy Spirit; the Son exists and redeems together with the Father and the Holy Spirit; the Holy Spirit exists and sanctifies together with the Father and the Son. They are three but one!

What we as Catholics believe is, that the Father, the Son and the Holy Spirit are three real Persons distinct from each other yet inseparable. Each one is fully God, yet only One God. All three are eternal, having neither beginning nor end, even though the Son proceeds from the Father; and the Holy Spirit proceeds from the Father and the Son.

As we wonder at the Most Holy Trinity we have a reason to wonder at ourselves too. We wonder at the fact that we are created in the image of the same Trinitarian God. Since we are created in the image of the “One God in Three Persons” it tells us the kind of people we ought to be. Though we are many, we are but one.

May the Triune God be praised.
