

Children's Liturgy of the Word

8th Sunday in Ordinary Time
2 March 2025 - Year C

"What a person says comes from what is in the heart."

Something to Think About

Sometimes we don't understand why other people do or say things.

It's important that we don't judge people because we can never really understand their thoughts or the reasons behind their actions. Only God can see into the human heart.

The Story

In today's gospel, Jesus tells the people to be careful about who they follow, and to make sure that they are on a good path. However, Jesus' main message to the people is not to judge others. God asks us to accept people as they are, and to recognise that we all have faults of our own. Rather than criticising other people, Jesus reminds us to work on our own hearts so that we can say and do good things.

The Scriptures

A reading from the holy Gospel according to Luke (6:39-45)

Jesus used some sayings as he spoke to the people.

He said: "Can one blind person lead another blind person? Won't they both fall into a ditch?

Are students better than their teacher?"

But when they are fully trained, they will be like their teacher.

"You can see the speck in your friend's eye. But you don't notice the log in your own eye.

How can you say,

'My friend, let me take the speck out of your eye,' when you don't see the log in your own eye?

You show-offs! First, get the log out of your own eye.

Then you can see how to take the speck out of your friend's eye.

"A good tree cannot produce bad fruit,
and a bad tree cannot produce good fruit.

You can tell what a tree is like by the fruit it produces.

You cannot pick figs or grapes from thorn bushes.

Good people do good things because of the good in their hearts.

Bad people do bad things because of the evil in their hearts.

Your words show what is in your hearts."

The Gospel of the Lord.

Praise to you, Lord Jesus Christ.

Group Discussion

Can you think of a time when you might have judged another person? What happened?

Can you think of a time that someone has judged you unfairly, or misunderstood what you were trying to do? How did it feel?
