

~*~ Fete Day....This Saturday! ~*~

Greetings and welcome to the final edition of FETE NEWS before the eagerly anticipated FETE DAY this SATURDAY.

Come rain or shine (fingers crossed for sunshine!), we'll be there, and we hope to see you too. Join us for a day filled with enjoyment, featuring rides, market stalls, delicious food, captivating performances on the main stage, showbags, and much more. It's the annual event that brings our community together.

A few important details for the day: We will have stalls equipped with EFTPOS machine but we will still have some stalls accepting cash/coins, and please note that there won't be an ATM available at the Fete. Kindly ensure you have some coins handy, especially if you plan on participating in Lob-a-Choc. 💎

Looking forward to sharing this fantastic day with you!

👤👤 Calling for Volunteers 👤👤

Running a FETE requires a significant amount of time and effort. We kindly ask for your support by dedicating an hour or two to assist our volunteers at one of the stands. Volunteer sign-up links are available on the final page. A heartfelt thank you to those who have already signed up; your contribution, even for just a couple of hours, greatly benefits the Fete Committee.

If you're unable to help on FETE Day, please consider offering your assistance either on the day before or the day after the event. Your support is immensely appreciated!

Employer supported volunteer leave.

Many employers now support volunteering leave. Does yours?

Whether with setting up on Friday 17th, Fete day Saturday 18th or pack up on Sunday 19th we need many volunteers.

If your employer provides volunteer leave we will gratefully supply you with a statement confirming your attendance.

Don't forget all your efforts go to building community across our two schools and parish. So, please volunteer and when you attend just let us know you would like a statement that you attended and we will get one to you.
