

CATHOLIC ARCHDIOCESE OF MELBOURNE

Together.

Our parish schools and our parish communities have a special relationship – working together to provide the best Catholic education for our children.

Our parish school families have a key role in this relationship. Your personal example reinforces the importance of faith to your children and your financial support of both school and parish is critical.

Your school fees, together with Australian and Victorian Government support, provide essential financial resources for our parish schools, and your voluntary financial support of our parishes enables them to remain vibrant, vital and viable communities – able to continue to support your children on their faith journey.

As leaders of Catholic education in the Archdiocese of Melbourne, we encourage your participation in the special **Parish Support Program**, where for the price of a *weekly cup of coffee*, you can help to support not just your children, but the essential mission and works of your parish, and the maintenance and care of our beautiful churches and parish facilities.
